Voted "Best Art Gallery" by Hour Detroit Magazine in 2023

Paint Creek Center for the Arts' (PCCA) Gallery is a 1,600 sq. ft. exhibition and event space located in the upper story of Paint Creek Center for the Arts. Voted "Best Art Gallery" by Hour Detroit Magazine in 2023, PCCA's Gallery has evolved into a leading destination for Michigan artists to showcase their fine artworks. The Gallery hosts 4-5 exhibitions per year, drawing artists, art collectors, and patrons from all over the state to encounter art of all mediums. Each exhibition includes an opening reception that is free and open to the public.

Sponsors play a crucial role in PCCA's determination to strengthen our growing arts community. Through financial or in-kind contributions, PCCA can offer high caliber, juried exhibitions. A variety of exhibition sponsorship packages are available to help expand the outreach of your business or organization, increase community engagement, and sustain the future of creative experiences.
