ART SCHOOL POLICIES

REGISTRATION

Registration is available online, over the phone, or in person at our building. Payment is due in full at the time of registration. Registrations are accepted until the second week of class, if space is available, but tuition is not prorated. PCCA determines if a course will be held based on the enrollment numbers one week prior to the class start date. PCCA strongly encourages students to register early.

CLASS PROCEDURES & MATERIALS

Being a student at PCCA comes with the expectation to act with professionalism and courtesy to your fellow students, instructors and PCCA staff, which includes coming to class prepared. All supplies are provided for Pre-K-, Child- and Youth-age classes and camps, and are included with all workshop registrations. High School-age and Adult students are required to purchase their own supplies and bring them to each session unless otherwise directed by their instructor. A list of necessary and recommended materials is made available on the course registration web-page and is provided again prior to the start date of class. PCCA does not reimburse for unused supplies. Please be sure to take home all of your belongings and artwork. Artwork not claimed by the second week after the term will not be kept.

EDUCATIONAL SKILL LEVELS

To better meet the creative needs and expectations of our registrants, Paint Creek Center for the Arts defines our course skills levels by the following definitions. PCCA works directly with course instructors to ensure coursework is consistently reevaluated and is reflective of the skill level advertised.

- **Beginner:** students in this course have little to no art experience or have never worked with the medium they are enrolled in. Coursework is led as a step-by-step or in-depth demonstration by the instructor.
- **Intermediate:** students in this course have taken previous art courses, are familiar with the elements of art and design and basic techniques for the medium course they are enrolled in. Instructors assign projects to push the student's skill set while still offering in-depth demonstrations and instruction.
- **Advanced:** students in this course have taken previous art courses, are comfortable with the elements of art and design, and are well versed in the techniques and skills for the medium course they are enrolled in. Coursework is self-led with few to no step-by-step demonstrations or assigned projects from the instructor. Instruction is provided on a case-by-case basis with each student, relevant to their current project of interest.
- **All Levels:** this course is appropriate for

first time students with no art experience, intermediate students, and advanced students with lots of experience. The instructor tailors coursework to the needs of each individual student.

CANCELLATIONS & REFUNDS

PCCA reserves the right to cancel any class when there is insufficient enrollment. Registrants will be notified as late as the night prior to the first class session and will receive a credit to their student account for their enrollment unless they would either prefer to transfer into another class that is running, or receive a refund for the course. Refunds will be issued online for credit card transactions only, and by check for cash or check payments. Refunds, less a \$25 processing fee, are only offered when a registrant withdraws from a class at least one week prior to the first class session. Withdrawals after the one week advanced deadline are not eligible for a refund. Refunds are not available for missed class sessions.

Memberships are strictly non-refundable as they are a tax deductible donation to PCCA. Please note that this catalog is printed in advance of registration, and that the most up-to-date listing of classes, workshops, camps, and events can be found online.

FACULTY

All class and workshop instructors at PCCA are experienced, professional artists. When necessary, PCCA may substitute faculty throughout the term. A change in faculty does not grant students the right to a refund once the class has started. For a list of current PCCA faculty members, their areas of work and study, and samples of their work, please visit PCCA's website.

CHILD SAFETY WHILE AT PCCA

For the safety of young students, parents should not drop their children off more than five (5) minutes prior to the start of class and students should be picked up within five (5) minutes of the class ending. If your child can not be picked up from class on time, please alert PCCA before the class ends. In the event that your child's class extends beyond PCCA's open lobby hours, faculty will release children to their parents from inside the building.

INCLEMENT WEATHER

PCCA generally follows Rochester Schools closings. In the event that PCCA must close due to inclement weather, students should look for a text and/or an official email from PCCA regarding the closure. PCCA staff may also update our website and our social media pages to reflect the closure. "Make Up Days" will be provided for classes where

possible, limited to two sessions per class per term. Open Studio will not be rescheduled when the building closes.

OPEN STUDIO

Open Studio is offered to adult PCCA Members who are currently enrolled in a course of the same medium in the same term. Open Studio does not include instruction. PCCA faculty is on-site for studio supervision only. A separate sign-up sheet is emailed out to qualifying student members. Dates and times may vary by term dependent on studio availability. Ceramic Open Studio is not offered the final week of the term.

HEAD LICE, HEALTH & SICKNESS

In our effort to ensure the safety of everyone inside our building, PCCA will enforce all current state and local mandates. By registering for in-person classes, you agree to follow these mandates and restrictions.

It is not appropriate for students to attend classes at PCCA if they are suffering from a contagious illness (flu/cold, etc.), or have an active infestation of head lice (lice, eggs, and nits included). If it is discovered that a PCCA student has an active case of head lice, said student will immediately be sent home. Parents of young students who came into contact with the infected student will be notified. Students should not return to PCCA until they are well.

PHOTOGRAPHY & VIDEOGRAPHY

PCCA reserves the right to photograph or record activities that occur on its premises for PCCA's promotional use. Please notify PCCA staff in advance if this is a concern.

Volunteers from Disaster Relief at Work helping out at Art & Apples in 2024

PCCA VOLUNTEERS

Paint Creek Center for the Arts would not be able to achieve what we do without volunteer support. During the Art & Apples Festival®, 150+ volunteers help us throughout the weekend to set up before the festival, provide support during the festival by delivering snacks, water, and breaks to artist vendors, help families with a free art making activity in the Kids Art Zone, provide info to patrons, and collect donations at the gates. Following the festival, volunteers help us clean up Rochester Municipal Park, leaving it cleaner than when we arrive.

During PCCA's day-to-day operations, volunteers help paint our bathrooms, reorganize and clean classroom studios, assist with graphic design and promotion of events and workshops, clean up our garden beds, staff our exhibition opening receptions, and much more. In 2025, we re-vamped our program, and now welcome volunteer support almost daily at the center.

We are grateful to the many volunteers, past and present, who continue to support Paint Creek Center for the Arts and the Art & Apples Festival® and want to shine a spotlight on the hard work and passion that our volunteers enthusiastically provide. Thank you for your dedication!
